Re: CLIA Lab Director update- **Dr. Nikola Baumann**

As of June 10, 2024 a new CLIA Lab Director assumed the role for CLIA#[24D1040592](#) Mayo Clinic Laboratories-Superior Drive. CLIA will not issue a new certificate until after the expiration date of the current license (10/3/2025).

The current laboratory details are published on Centers for Medicare & Medicaid Services website (CMS) and maintained in their S&C QCOR online reporting system. (<https://qcor.cms.gov/main.jsp#>)

The following information is available from the referenced website and indicates the Lab Director update:

CLIA Laboratory Details

Please note that all of the laboratories found using the CMS CLIA Laboratory Demographic Information Tool on the CMS website are certified by the United States Government Department of Health and Human Services under the Clinical Laboratory Improvement Amendments of 1988 (CLIA), 42 U.S.C. §263a to perform laboratory testing as of the Data Source Date listed. Please note the most up to date information may not appear on the linked certificate.
