

## Motor Neuropathy Panel

**Test ID:** FMNPP

**Explanation:**

Per notification from ARUP Laboratories, GD1a Antibodies IgG-IgM test result, which is a component of test ID FMNPP, will not be available for an indeterminate period, due to unsatisfactory reagent performance. ARUP will release results of all other components of the test. There will be a temporary fee change, effective immediately. The fee will be reinstated and communicated once full testing has resumed.

<b>Current Fee</b>
\$583.25

<b>New Fee</b>
\$537.35
