

Congenital Adrenal Hyperplasia (CAH) Profile for 21-Hydroxylase Deficiency, Serum

Test ID: CAH21

Explanation: Instrument issues have been resolved and CAH21 will resume testing for non-New York State clients on the effective date.

Note:

New York State testing will continue to be supported under the alternate referral code ZW131. Once New York State testing has been approved, an updated notice will be sent out.
