

***MGMT* Promoter Methylation, Tumor**

Test ID: MGMT

Explanation:

Due to a reagent backorder, MGMT: *MGMT* Promoter Methylation, Tumor will become temporarily unavailable, effective immediately. All samples currently received at Mayo Clinic Laboratories will be extracted and held until testing resumes or will be offered for return. Notification will be sent when testing resumes.

A referral alternative is not available through Mayo Clinic Laboratories. It is recommended to work directly with another facility if testing is needed during this timeframe.
