

## Anti-Phosphatidylethanolamine Panel

**Test ID:** FPHET

### **Explanation:**

Per notification received from BioAgilytix Diagnostics, Anti-Phosphatidylethanolamine IgA test result, which is a component of Test ID FPHET, will not be available for an indeterminate period of time due to a backorder of IgA testing kits from the manufacturer. BioAgilytix Diagnostics will release results of all components of the panel with the exception of the Anti-Phosphatidylethanolamine IgA, which will be cancelled. The fee has been updated to reflect the price change.

| <b>Current Fee</b> | <b>New Fee</b> |
|--------------------|----------------|
| \$134.00           | \$101.00       |
